WORSHIP GOD IN SPIRIT & TRUTH

We strive to provide an atmosphere where everyone can relax and open themselves up to worship. Our worship is usually lively and contains elements of spontaneity. We are a Pentecostal church and there is an emphasis on free expression of praise and singing or speaking in tongues.

We are intensely committed to informing and bringing people to a greater awareness of who Jesus is, so they can decide for themselves if they want to follow Him. We believe that salvation is through Jesus Christ alone. While we do not want to "shove-it-down" anyone's throat, we will do almost anything to make people aware of the living, life changing relationship that's available through a commitment to Jesus Christ.

TO TEACH AND TRAIN

Where do we get fresh, wholesome, challenging and inspiring thoughts in society? The Bible! It contains life enriching principles which our pastoral staff and many ministry volunteers love to teach. From infants to adults, our people have many opportunities to discover and learn all that Jesus taught.

We are an integral, vibrant part of our community, and we are committed to impact it in a positive way. We are compelled to support our city officials, schools and all of its citizens. We desire to be a positive force along with all the other area churches and civic groups to benefit the lives of every person.

Maranatha's Staff

When I read Hebrews 11, the great "Hall of Faith" chapter, the people of Maranatha come to mind for several reasons. First, we are indeed "alien strangers" in this world — our real home (heaven) is definitely not here.

Second, I remember the faith that has been built here. I think about the lost that have been saved, the couples that have been married, the relationships that have been healed, and our dear friends who have been buried. We have shared our struggles, our victories and our faith in the risen Christ. We truly are family.

God has expanded Maranatha's "tent stakes" further than I could have ever imagined 21 years ago. Our ministries have grown, but we still stand firm with our mission: to worship God, to draw people to Jesus, to teach and to train, and to impact our community. Yes family, God is thoroughly working through your hands at Maranatha.

Habakkuk 1:5 declares, "Look among the nations! Observe! Be astonished! Wonder! Because I am doing something in your days — you would not believe if you were told." I believe our most fruitful days are yet to come. Thanks for doing your part in God's plan for our communities.

Love ya,
Pastor Mike Haseltine
